WOMEN LEADING WITH PURPOSE TO  
TRANSFORM HEALTHCARE IN GEORGIA

## Why **Wellstar**?

Wellstar Health System is one of Georgia's largest and most integrated non-profit health systems and the Regional Destination of Choice for Women's Health. Over the past 30 years, we have significantly expanded women's health services across our footprint of 27 diverse counties. Today, Women's Health services can be found at over 85 locations across the state, providing education and support services, minimally invasive gynecologic care and comprehensive subspecialty care that enhances the health and well-being of every woman. Wellstar supports the health equity needs of the communities we serve.

## **Wellstar** Foundation

Through philanthropy and community partnership, we are fueling innovation and action to address vital needs of the diverse communities in Georgia.

# Making a *Difference*

Women of Wellstar hosts a series of engaging events with the aim of driving impact in the communities we serve, educating our members on today's most pressing healthcare challenges and connecting with one another, aligned to these three pillars:

## Learn

These events are intended to educate and inspire – planned occasions to learn and grow together in our mission.

## Give

Women who love to put boots on the ground will enjoy volunteering to serve our communities.

## Connect

Planned social events – like a Sip & Shop event or gala – enhance our connection to one another.

who  
we  
are

**We are a committed group of Georgian women using our time, talent and treasure to make a difference in healthcare.**

We are community leaders, entrepreneurs, businesswomen – all with a passion to address the healthcare needs of all women.

**Together**, we will illuminate the healthcare issues facing women in Georgia today and drive potential solutions to enhance women's health across the state.

## JOIN US

Women's impact in philanthropy and our power to lift our voices, together, for positive change is undeniable. To improve the state of healthcare for women in Georgia, we need leaders & community members, innovators & entrepreneurs, advocates, caregivers and philanthropists. **We need you.**

# Why now? Women's

health depends on it.

**1 in 8**

women will develop breast cancer in their lifetime.

**10 years**

Women spend a decade, on average, suffering from symptoms of endometriosis before diagnosis.

**49<sup>th</sup>**

Georgia has the second-worst maternal death rate in the U.S., more than twice the national average.

---

## THE UNDENIABLE IMPACT OF WOMEN IN PHILANTHROPY

---

**#1**

Women are the driving force behind healthcare decisions in the U.S.

**\$28 trillion**

Nearly three quarters of intergenerational wealth, more than \$28 trillion, will be controlled by women by 2030.

**90%**

of our income is reinvested back into our families and our communities – double that of men.

## WOMEN OF WELLSTAR MISSION

In partnership with the Wellstar Foundation, we seek to engage and empower women and to improve the lives of women everywhere.

We'll achieve our mission by addressing the vital health needs of women – regardless of who they are and where they live – in communities all over the state. With your help, Women of Wellstar will build a connected network of women leaders across Georgia that harnesses our collective power to inspire, develop and support solutions for the urgent and unique women's health priorities in our state.
