## A Giving Society for Wellstar Hospice Care

As we continue to support our hospice program of more than 40 years, a new opportunity is being introduced as a way to honor loved ones and friends, as well as to sustain our support for this exceptional hospice program. The **Circle of Hope** giving society is named symbolically, in that gifts provide a way to give back and to give a gift of hope for future patients and families. Those who receive now have the opportunity to pass along hope to others.

**Gifts of \$1,000 or more** will be recognized in identical donor displays in the lobby of Hospice Care at Kennesaw Mountain and in the lobby of Hospice Care at Cobb. Those who give cumulative gifts of \$10,000 and more will be considered permanent members of the Society and will be listed in the Founders' Circle.

**Gifts of \$1,000 to \$4,999** will also receive an engraved brick in the memorial walkway at Hospice Care at Cobb or Hospice Care at Kennesaw Mountain.

**Gifts of \$5,000 and greater** will be recognized with an engraved brick in the Garden of Hope at Hospice Care at Kennesaw Mountain or in a special area at Hospice Care at Cobb. Gifts at this level may be given as a pledge over a five-year period. Recognition will be made when half of the gift is given and will be recognized for the total amount of the pledge.

**Gifts may be given to honor any individual, family member or friend and may be given for any of the following areas:**

- Wellstar Hospice Care's Greatest Need
- Tranquility Fund at Cobb or Tranquility Fund at Kennesaw Mountain
- Angel Fund Endowment, to provide care for patients who lack financial resources
- Veterans' Volunteer Program, to honor patients who are veterans
- Camp Tranquility, a family bereavement camp
- A legacy gift to provide for patients, families and the hospice program for years to come
